Definitions:

Outside Employment: Any employment, whether or not in exchange for a fee or other service. Outside employment does not include military duty or volunteer charity work unless the volunteer charity work is an extension of police services.

Extension of Police Service Outside Employment: The off-duty use of enforcement powers and training as provided to Police Division members by the city. In the case of extension of police service employment, the employer hires not the individual, but the uniform, badge, gun, and authority of the officer. This activity must remain closely regulated. All rules, regulations, policies, procedures, and directives applicable to officers in an on duty status also apply to officers engaged in extension of police service outside employment.

Nonpolice Related Outside Employment: Any employment not requiring the use of law enforcement powers, training, or equipment by an off-duty officer.

Policy:

The division prohibits employment that presents a potential conflict of interest, or reflects an abuse of official position which could give rise to illegal or unethical practices.

The FLSA (Fair Labor Standards Act) forbids officers to volunteer extension of police services. If an officer desires to perform police-related services for a charitable or religious institution, a work permit must still be obtained and payment for services provided must be tendered, based on the hourly amount currently in effect. If the officer wishes to donate the proceeds earned back to the charitable or religious organization, that is solely the decision of the affected officer. Officers desiring to follow this course of action must consider the tax consequences involved.

Personnel are expected to perform all lawful and reasonable duties and tasks related to their detail assignment. Any disputed duties or tasks must be brought to the attention of a supervisor as soon as practical for resolution. Substantiated complaints of unsatisfactory performance may result in disciplinary action and/or detail suspension as deemed necessary by the Police Chief.

Prohibitions include, but are not limited to, the following:

1. Division members are not permitted to sign up for, or otherwise indicate they are available to work, any more than one outside employment detail scheduled for a specific date and time. Division members are not permitted to sign up for, or otherwise indicate they are available to work, outside employment details if the working hours of the details overlap.
2. Sworn personnel, whether on duty or working a detail, may not handle currency or deposit bags. Sworn personnel are limited to escorting a responsible business employee.
3. Employment or interest in any vending machine company or service. This does not prohibit sworn or nonsworn personnel from purchasing, renting, or leasing vending machines from vending machine companies.
4. Employment of sworn or nonsworn personnel by a business to investigate or collect accounts, including repossession of automobiles and collection of debts.

5. Pre-employment investigations by sworn or nonsworn personnel for private industry. For this procedure, pre-employment polygraph examinations are not considered pre-employment investigations.
6. Any type of work by sworn or nonsworn personnel related to bail bonding.
7. Work by sworn personnel as a chauffeur for a limousine for hire company.
8. Any employment of sworn or nonsworn personnel which assists, in any manner, the case preparation for the defense in any criminal action or proceeding.
9. Any type of work by sworn personnel for, interest in, or ownership of a liquor permit premise where the primary business is selling alcoholic beverages by the glass. Exceptions are: large scale public safety details such as Riverfront Coliseum, Riverfront Stadium, Cincinnati Gardens, church festivals, parking lot details at liquor permit premises, etc.
10. Plainclothes shoplifting details by sworn personnel. Exceptions may be made by the Police Chief for extenuating circumstances on a case by case basis.
11. Personnel in covert, undercover assignments may work uniformed, police related outside employment details with prior authorization from the requesting officer's bureau commander. All officers working these detail assignments will comply with Division uniform and grooming standards.

Procedure:

- A. Outside Employment Approval:
 1. All employees must obtain the Police Chief's written approval before engaging in outside employment.
 - a. Employees will complete a Form 668 (Outside Employment Work Permit) for all outside employment requests and submit them through their district/section/unit commander.

- 1) Forms 668 must include the employer's state worker's compensation number.
 - a) The only exception is nonpolice related outside employment where the division employee is a sole proprietor or partner. Sole proprietors and partners without employees have the option of carrying worker's compensation insurance.
2. A Form 668A (Acknowledgment by the Secondary Employer) must be completed or renewed:
 - a. Annually, on or about January 1, for permanent secondary employers.
 - b. Once per calendar year for temporary secondary employers.
3. After review and approval, the district/section/unit commander will forward the Form 668 (and Form 668A when necessary) through the Bureau Commander to DCU (Detail Coordination Unit).
 - a. If a detail is in a district other than the unit of assignment, the requesting officer will obtain his unit commander's approval and then the affected district commander's approval before obtaining his Bureau Commander's approval.
 - b. If police related services are to be rendered in another police jurisdiction, the requesting officer must obtain a letter of approval from the "chief law enforcement official" of that agency. Submit the letter to the Police Chief with the work permit. The Police Chief will consider each request on a case by case basis.
 - c. A unit/shift OIC (officer in charge) may approve requests for outside employment of an urgent nature pending the immediate processing of the necessary forms.

4. DCU will review all outside employment forms for completeness and compliance with procedure. After review, DCU will forward the forms to the Police Chief.
5. Once approved, DCU will file the original Forms 668 and 668A in the master work permit file.

6. Employees or detail coordinators may cancel an outside employment work permit by submitting a Form 17 through channels to DCU.

 - a. The district/section/unit responsible for administering blanket detail permits will complete Forms 668, 668A, and 668B (Detail Assignment Roster).
 - b. DCU will complete Forms 668, 668A, and 668B for the blanket detail permits under their control.

- a. The highest ranking supervisor working the detail must be the coordinator.

- 1) No employee may assign an employee of a higher rank to work a private detail.

- a) Specialists and police officers will be considered equal in rank for purposes of this requirement.

- b. The detail coordinator for each police related private employer detail will submit a typed monthly Form 668B in chronological order listing the names of personnel who actually worked the detail and indicate the number of hours paid. Submit the Form 668B to DCU by the 10th of the following month.

- 1) Temporary police related detail coordinators must also submit a Form 668B within five business days of completion of the detail.

- 2) Detail coordinators are required to submit a monthly Form 668B with the wording " No detail hours worked" if no officer worked the detail during the reporting period.

E. Probationary Officers:

1. The district commander may grant a probationary officer permission to work a police related detail once the probationary officer receives approval to operate as a single patrol unit.
 - a. The probationary officer may only work details requiring two or more officers. One of the officers must be a non-probationary officer.

F. Assignment and Scheduling of Outside Employment Details:

1. DCU is responsible for assigning personnel for all overtime details paid on the city check, except PVO. Detail coordinators are responsible for assigning and scheduling all other details.
2. For scheduling purposes, each district/section/unit needing no more than 20 personnel on an overtime basis will notify DCU of the number needed at least two weeks in advance. Any detail requiring more than 20 personnel will notify DCU of the number needed at least one month in advance.

3. Division personnel who want to work overtime details will submit a completed Form 668C (Overtime Availability Form) to DCU.
 - a. Submit a new Form 668C any time the information on a previously completed Form 668C changes.

4. DCU will assign details to personnel according to the total hours previously worked. If officers work an equal number of hours, seniority will be the deciding factor.
5. Personnel chosen but unable to work a detail due to sickness, emergency, or other legitimate reason must:
 - a. Notify an on-duty supervisor or on-duty detail coordinator in the affected district, or during regular business hours a representative of DCU. The supervisor, detail coordinator, or DCU representative will select a replacement and document, via Form 17, listing the detail name, date, time, person originally assigned, and the person who worked the detail.
 - b. Forward documentation to DCU no later than the next business day.
6. Upon completion of the detail, personnel will have an authorized employee at the detail sign a completed Form 68P (Overtime and Court Appearance Report).

- 1) Except with the Police Chief's permission, new detail requests reserved for supervisors will require payment at the supervisory rate.
- c. The pay rate for special duty details is time and a half the outside employment hourly rate. Private duty details are straight time details.
2. A district commander will determine the number of officers, rate of pay (special or private duty), equipment, and supplies necessary to perform police related outside employment details.

- d. Supervisors may continue to work those closed, single officer details which are currently paid at the specialist/police officer rate if supervision of subordinate personnel does not become a factor.
 - 1) New requests of this nature will be considered on a case by case basis.
 - e. Blanket, single officer details that are paid at the specialist/police officer rate may be filled by supervisors as a last resort, when details would otherwise go unfilled (24 hours or less).
4. Officers working police related details will receive a minimum of two hours pay for outside employment of less than two hours duration.
- a. Employers who cancel during the detail will pay for a minimum of two hours or for the time actually worked, whichever is greater.
 - b. An employer who cancels a detail must notify the detail officer at least two hours before the start of the detail. If the employer fails to provide the officer two hours notice, the detail officer will receive a minimum of two hours pay, paid by the employer.
 - c. If the detail is a city time and a half detail, the officer must be off duty for the full time of the actual payment.
5. Court time compensation resulting from private employment is the responsibility of the private employer.
- a. If an officer takes enforcement action due to his status as a police officer, and in circumstances which do not directly benefit the outside employer, the officer, with permission of a supervisor, may be compensated by the city.

- 1) Examples:
 - a) An officer is working a detail and takes enforcement action off the premises of the outside employer in an incident not related to the employer.

 2. The Police Division may review the on-duty work performance of any officer who works greater than 64 combined hours of work for the city and work in off-duty details within a regular work week (Sunday through Saturday).
