MOTION

August 5, 2015

We MOVE that the Administration provide a report detailing the benefits to the Cincinnati Police Department of reinstating the Cincinnati Mounted Patrol Division. This shall include how a Mounted Patrol Division could have benefitted the City during the Fountain Square incident in June of 2015, during the All-Star Game, and during other major downtown events and functions.

We FURTHER MOVE that the Administration provide a report of the cost and timeline of reinstating the Mounted Patrol Division of the Cincinnati Police Department for Fiscal Year 2017, taking into account the equipment that was kept from the previous Mounted Patrol Division disbanded in 2012.

Councilmember Chris Seelbach
