Councilmember

## MOTION

WE MOVE, that since City Council has previously shown its support for "second chance" hiring through legislation such as "ban the box" as well as encouraging the private sector to engage in hiring returning citizens; and

WE MOVE that the City Administration collect information from City Departments (other than Police and Fire) and report to Council about the number of employees the City currently has who are "returning citizens", so as to inventory our own commitment to "second chance" hiring.
